

Larchmont Pediatrics Pediatrician Employment Opportunity

Join Our Growing Pediatric Family in Los Angeles!

We're a well-established, privately owned **pediatric practice in Los Angeles, California**, and we're looking for a **full-time Board-Eligible or Board-Certified General Pediatrician** to join our team!

If you love watching your patients grow (literally) and believe stickers are a legitimate medical tool, you'll fit right in!

Our ideal candidate is:

- **Compassionate and patient-centered**, with a genuine love for pediatrics
- **Team-oriented**, but confident working independently
- **Looking for a long-term home**, not just another job

We offer a supportive, friendly environment, competitive salary, benefits, and plenty of opportunities to make a meaningful impact in the community.

You will see 14-22 patients/day and will do newborn rounds 1-2 weekdays/week at Cedars- Sinai. Our office is closed on the weekends. Weekend call is 1:3 which includes newborn rounds but not seeing patients in the office. Weeknight call is 1-2 nights/week. We do have an after hours nurse triage service that handles the majority of our after hours phone calls.

If you're ready to join a practice where your work matters—and where every day brings a new story (and possibly a superhero costume)—we'd love to hear from you!

Send your CV and a short cover letter to
