

Anti-SARS-CoV-2 Antibody IgG Testing at Laboratory Satellite Locations

Where can I get tested for the Anti-SARS-CoV-2 IgG test?

- CHLA is now accepting testing for Anti-SARS-CoV-2 Antibody IgG at our outreach satellite locations listed below.
- Prior to sending the patient office **must** fax the clinical requisition form ahead of time with complete patient insurance information for registration.
- **Due to restrictions and social distancing we are only allowing one family in the laboratory at a time for testing.**
- We will **NOT** be swabbing for the COVID-19 test at our laboratory satellite locations.

Our three laboratories performing the testing with specific hours are the following:

Encino Laboratory

5359 Balboa Blvd. Suite B

Encino CA 91316
