BEHAVIORAL HEALTH WARMLINE

Julienne Jacobson, MD

Behavioral Health Consultation Line

- **Collaborative Effort**

- The CHLA Care Network in collaboration with the Division of Psychiatry at CHLA established a telephone-based Peer-2-Peer (P2P) consult to provide advice on psychiatric issues and medication management.

- **What is a curbside consult?**

- A 15-minute conversation between pediatrician and CHLA Psychiatrist about a patient's mental/behavioral health condition.
- The psychiatrist providing advice is not directly involved in the patient's care.
- Issues discussed are typically not complex and are presented with only basic case details.
- The consult does not include chart review or patient interaction.

Behavioral Health Consultation Line

- **Staffed by:**

- CHLA Psychiatrists
- CHLA Psychiatry Triage Administrator

- **Hours of Operation:**

- The consultation line is open Monday through Friday from 8:00 AM to 4:00 PM.
- If the Triage Administrator is not available to answer the phone, the Pediatrician shall leave a voicemail for the triage administrator, who shall return the Pediatrician's call the same business day or the next business day, if the voicemail was received after 3:30 PM (PT).
- The Triage Administrator will schedule the consultation with a CHLA Psychiatrist on the same day or the next business day, depending on when the call was received. A CHLA Psychiatrist will be available:
 - Monday through Friday between 12:30 PM and 1:30 PM

- **Phone Number: (323) 361-9150**
